Mount Lawley

### Where the action is

In the heart of Mount Lawley where life is pulsating around you. You can walk to have dinner, drinks or party hard in local nightspots and never need a taxi again. . As you can see location is important for so many more reasons than a shrewd investment strategy.

This one bedroom near new apartment is on the second floor of this full security complex. The open plan living area is the perfect size for when the party kick on at your place. You can also all spill out onto the balcony that is another living space facing the city.

Downstairs the cafe offers room service for the inevitable hangover that follows. Seriously though if you want a apartment that really does make it possible for you to live more of your life then you should call me to arrange for an inspection and why not have a cappuccino whilst your here.
