Midland

The perfect blend of apartment and villa living.

For Sale by Open Negotiation @ 6:00pm on the 22nd January 2018

One bidder registered - current bid \$280,000

If all you've been seeing is poky 2brm 2bth apartments this really is the perfect blend between an apartment and a villa, with open plan living and of course the THIRD bedroom will be a real bonus.

The security of a shoppers entry from lock up garage is just another advantage you will not see in the smaller 2brm apartments.

Your courtyard wraps around the entire unit so there is space for a dog or cat in this attractive group of only six units where pets are welcomed.

Walking distance to Midland town centre in one of the area's better streets.

This 3brm 2bth apartment is definitely a winner if you are wanting a hassle free foray into property investment, with quality tenants currently paying \$290pw until March 2018.
