203 Holbeck Street, Doubleview

Quality, Space and Value!

This stunning – and fully-renovated – 5 bedroom 3 bathroom two-storey residence is a rare find in Doubleview and offers exceptional modern living for all involved, nestled so close to bus stops, a plethora of local parklands and Scarborough Beach’s recent multi-million-dollar foreshore transformation.

The lower level plays host to an expansive open-plan family, dining and kitchen area where sleek Hamptons-style cabinetry meets sparkling stone bench tops, a built-in storage pantry, a breakfast bar for casual meals and seamless outdoor access to an airy backyard with sprawling green lawn and a paved entertaining courtyard. Nearby, gorgeous double French doors reveal a carpeted theatre room – with a ceiling fan – that also works well as either a games or children’s playroom, depending on your personal needs.

Upstairs, a sumptuous master-bedroom suite is the definite pick of the sleeping quarters and is super-generous in its proportions, boasting a striking feature wall, mirrored built-in wardrobes and a stylish ensuite bathroom with a shower, toilet and vanity. Two of the four minor bedrooms benefit from ceiling fans, whilst a classy main bathroom plays host to a large shower for good measure.

Making up the “third bathroom” space on the ground floor is a powder room

The word "convenient" is an understatement when considering this outstanding location, firmly entrenched within the sought-after Churchlands Senior High School catchment zone and sitting just minutes away from Doubleview Primary School, shopping at the exciting Karrinyup redevelopment and the soon-to-be-transformed Westfield Innaloo/Stirling complex, further public-transport options at Stirling Train Station, the freeway, sporting facilities, fantastic restaurants and our glorious coastline.
