12 Alciston Way, Huntingdale

An outdoor oasis for the whole family.

This stunning 3bedroom, 1bathroom completely updated and renovated home sits on a spacious 688m2 block, utilising the land parcel in the most appealing and impressive way.

The home sits below front lawn level with a veranda stretching the length of the home, creating the feel of an outback homestead with a modern look thanks to the freshly painted Duraguard render and new garage door, however the jewel in the crown of this divine abode is surely the backyard oasis!

The outdoor entertaining area is an absolute must see, just imagine the possibilities, with the huge gable patio, undercover built in barbecue pit bar, the perfect spot for you and some friends to relax while the kids swim in the beautiful blue pool or play on the freshly rolled lawn surrounded by tall palm trees and flourishing fauna, all working together to create the ultimate entertainer's Eden.

Maintenance of the luscious lawns and gardens is a breeze with the brand new reticulation system to both the front and back yards.
