XCEED REAL ESTATE

## The Coast is Clear!

A spacious elevated 717sqm (approx.) block just minutes away from beautiful Mullaloo Beach and the recently-approved Ocean Reef Boat Harbour redevelopment site is the fitting setting for this fantastic 4 bedroom 2 bathroom family home that would benefit from spectacular ocean views from any future second-storey addition.

Sea glimpses from the front yard are just a small preview of what is on offer to you here, with a functional floor plan beyond that impressing everybody. A large carpeted front lounge room with a gas bayonet for heating welcomes you inside and leaves space for formal dining, if you are that way inclined.

The central open-plan meals and kitchen area is tiled for low-maintenance living, with the latter part of the layout also cleverly renovated to include a breakfast bar for quick bites, a storage pantry, tiled splashbacks, double sinks, a range hood, a Westinghouse gas cooktop/oven and a quality Samsung dishwasher. It all overlooks a tiled and sunken family room that seamlessly extends outdoors to a covered two-tier patio area with café blinds for protection from the coastal winds, integrated ceiling audio speakers, a projector and drop-down screen to watch your favourite sports on.

Resort-style entertaining within a huge backyard with raised gardens and a revamped courtyard is completed by a sparkling below-ground swimming pool and a poolside patio area that is more than ready for you and your loved ones to laze about in the sun this upcoming summer. Back inside, all four bedrooms are carpeted for comfort – including a light and bright front master suite where a walk-in wardrobe meets a fully-tiled and upgraded ensuite
