## The Epitome of Family Comfort

Nestled on a spacious 722sqm (approx.) north-facing block in a quiet and secluded pocket of homes that sits just footsteps away from lush local parklands, this architecturally-designed 5 bedroom 2 bathroom residence occupies a commanding position whilst providing its occupants with a functional low-maintenance lifestyle like no other.

With plenty of the property's original character still intact and heaps of scope to add your own further personal modern touches throughout, there is so much to look forward to here. From here, gorgeous double French doors reveal the soaring raked ceilings of a large central games room – complete with a bar and sink – that leads through to a huge sunken meals area where split-system air-conditioning and a breakfast bar for quick bites meet outdoor access to a delightful pergola overlooking a shimmering below-ground backyard swimming pool, a fantastic poolside entertaining alfresco and a built-in gas barbecue to impress your guests with. Next to a family room that is carpeted for comfort, a beautifully-tiled kitchen is the heartbeat of the home with its sparkling granite-transformation bench tops, tiled splashbacks, walk-in pantry, huge fridge and freezer recess, double sinks, water-filter tap, fan-forced double ovens, Westinghouse gas cooktop, Ariston dishwasher and glistening views out to
