What we love: The brand new and stunningly built villa has the same superb finishes as unit B which sold in only 10 days on the Market & C! The difference here? Unit A front facing! 134sqm of space greets you as you walk through the doors and into the large open plan kitchen family meals with its beautifully high vaulted ceilings and gorgeous natural light spilling in from the access to the outdoor entertaining and wonderful skylight. The ultra-modern chef's kitchen overlooks the living and dining spaces featuring solid waterfall stone benchtops with a beautiful marble design, stainless steel appliances, feature light fittings, extra-large oven and cooktop and designer wood cabinets to tie the look and feel together. The professional and home chef alike will be delighted with this space.

Another home run by such an amazing developer, unit A builds on the amazing design we all loved in their other units and simply makes it more! The same quality finishes, the same low maintenance and easy-care lifestyle living brought about by the location and property and no doubt the same result. This one won't last long!
