35A Standish Way, Woodvale

Delightful Street-Front Living!

This charming 3 bedroom 1 bathroom brick-and-tile villa headlines a tranquil group of just three properties and is as solid as they come, allowing its occupants to enjoy a very short stroll to the sprawling Chichester Park playing fields at the end of the street in the process.

Beyond a gorgeous established rose garden lies a carpeted formal front lounge and dining room that is reserved for those special occasions and can be set up in any way, shape or form you desire. The central kitchen is neatly tiled and features character brickwork, a storage pantry, a linen press (or second pantry cupboard), double sinks, a Westinghouse oven and a separate gas cooktop for good measure.

Low-maintenance flooring graces the adjacent open-plan family and meals area that extends outdoors to a private backyard where a lovely covered patio offers paved entertaining whilst complementing a lush green lawn patch, a lock-up brick storage shed and two additional tool sheds – one down the side and the other at the rear of the residence. Back inside, all three bedrooms are carpeted for complete comfort – the pick of the bunch being a larger master suite at the front of the floor plan, boasting a ceiling fan, split-system air-conditioning, mirrored built-in wardrobes and semi-ensuite access into a practical bathroom with a shower and separate bathtub more than enough to cater for everybody's personal needs.

With equal distance separating the home from North Woodvale Primary School, Woodvale Secondary College and Woodvale Primary School and nestled just footsteps away from bus stops, other local parks and reserves,

 3  1  1  369 m²
