17 Callion Rise, Padbury

Your Escape To Serenity!

A massive 1,001sqm (approx.) block nestled atop an elevated cul-de-sac in the sought-after “Pinnaroo Valley” pocket of Padbury is the fitting setting for this established 4 bedroom 2 bathroom family home that backs on to a lush permanent reserve behind Callion Park and plays host to everything you could ever want or need.

Beyond a double-door portico entrance lies a study and large master-bedroom suite, as well as a carpeted formal dining room that overlooks the sunken lounge down below – the latter also reserved for those special occasions. Soaring high raked ceilings grace a central open-plan family, meals and kitchen area where most of your casual time will be spent before seamlessly spilling outdoors to a huge pitched entertaining patio at the rear, right beside a sparkling solar-heated below-ground swimming pool and the gas-heated spa next to it.

Essentially tripling the amount of personal living options on offer is a massive games room at the back of the house – complete with a built-in bar, a gas bayonet for heating and direct access to the poolside patio to take full advantage of the chirping local birdlife and the overall size of the yard. The minor sleeping quarters play host to the remaining three bedrooms, as well as a main family bathroom with a separate shower and bathtub.
