Stirling

428 sqm land near, but not overcrowded by,...

This rectangular 429sqm block, with 10.2 meters of street frontage, very near Princeton Estate is one of those rare opportunities to get the location without the price tag.

Only one available on this lot at the end of a cul-de-sac with quality homes but not in a highly built up area so you won't have neighbours on top of you.

Being close to the Cedric street Freeway entrance, Main street cafe strip, local school and IGA are all only minutes away.

You will be within walking distance of Civic Gardens with 2 acres of beautifully manicured gardens including lakes and kids playground.

Through the parkland you are at Stirling interchange train and bus port
