NOT BIG . BUT HUGE!

Treat your family to something special and never let space be a problem for you again when considering what this stunning four-bedroom, 5 bathrooms haven has to offer. Spread over two generous levels and boasting ocean views, this is within walking distance of Burns Beach Cafe and the shimmering Indian Ocean.

Contemporary inside and out, this grand home enjoys a functional floor plan that keeps the sleeping quarters and main living area together on the upper level. Downstairs, a massive carpeted games room is spacious enough to host a full-size billiards table, whilst an extensive home office or library is a fantastic place to work from and even extends outdoors to a covered terrace for low-maintenance backyard entertaining.

Also on the ground floor is a giant remote-controlled six-car garage with a handy internal shopper's entry and access to the rear. Upstairs, all four bedrooms have their own private ensuite bathrooms - including a sumptuous master ensemble with separate "his and hers" walk-in wardrobes.

A purpose-built theatre room includes a surround-sound system and all the trappings of a movie cinema. Double doors reveal an open-plan design that incorporates the family, dining and kitchen areas and extends, via stacker doors, out to a fantastic cedar-lined alfresco balcony with a mesmerising sea vista all the way south to the ports of Fremantle.
