Marangaroo

Stop looking, you've found upgrade heaven at...

A standard normally only found in Princeton and Roselea. If you have ever pondered whether you'll find a home that pleases everyone, maybe the arrival of this Novus 4brm 2bth with study is one that can put those musings to rest.

Set on a 447sqm block, where the house is almost the same size, most likely it's the biggest on market in Marangaroo. Quite likely it's the best too. Granite kitchens, porcelain floor tiles and solid timber are just a small part of it.

With every living area you could need and sized to fit some of the biggest furniture you could imagine yourself owning. Outdoors in the alfresco you'll find a kitchen that many homes in the area wished they had inside.

All bedrooms are serious doubles, offering your kids room to have their beds, desks, and some. Furthermore they can grow into them as these rooms are big enough for teenagers to not feel hemmed in.

Situated in Marangaroo's dress circle location in a quiet cul-de-sac where only the big money lives, this is the upgrade you thought you would never be able to make, right on your doorstep.

Come and meet your new home this week. Call me now on 0413 833 332.
