## Champion Lakes

### Down on the Water

Welcome to Hollywood in the most unlikely place. Only every now and then will a location like this be available, but many times you may not get a slice of Hollywood with it.

Architectural flair infused into a design that lets you enjoy the lake views from the moment you stumble out of bed. The Master suite is upstairs along with your kitchen, main living area and a huge 2nd storey alfresco area.

All of this takes in breathtaking lake views of our states premier aquatic playground.

Downstairs you can still soak in the views from the theatre and study. With another living area and two generous bedrooms to complete the ground floor this is the perfect home for the family that likes to sometimes have their own space.

Call me now to arrange a look inside.
