Sun, sand and surf three streets away if don't...

On the palm beach side of this so called busy road. if you can get your head around the fact there is some traffic then you can enjoy your new home which has three double bedrooms, 2 baths and two huge living areas perfect if you are looking to share with mates.

Front courtyard so you can always enjoy the buzz off traffic as it rushes past you. Seriously though the benefit of being on the street is that you not only get a double garage but also parking directly in front for at least another two cars.

This townhouse is packed full of value from the timber floors through to Caesar stone bench tops, full height tiling in bathrooms and we'll even throw in a dishwasher, dryer, 2 airconditioning units and security system.

Make sure you're not the one of the many calling me after its already sold as the other three sold within weeks of coming to market.
