A Parkside Pleasure!

The Open Negotiation is underway (online auction with flexible terms for qualified buyers) and the property can sell as early as tomorrow. Contact Adam immediately to become qualified and avoid disappointment.

With its elevated front yard splendidly overlooking the lovely Peter Turner Memorial Park on the corner, this fantastic 4 bedroom 2 bathroom family home is in the perfect position and is ready to live in right away, offering a delightful sense of contemporary comfort for all involved.

The carpeted front lounge room off the entry is huge and precedes a central open-plan family, dining and kitchen area with low-maintenance timber-look flooring – itself also massive in its proportions. The latter leads through to a large games room that essentially triples the amount of personal living options on offer before spilling outdoors to a spacious pitched rear patio for private entertaining.

A side patio off the main living zone wraps around to the backyard and extends the covered area, whilst there is plenty of room for a future swimming pool in place of lush L-shaped backyard lawns that currently make for an ideal cricket pitch, heading into summer. Back inside, all bedrooms are light, bright and neatly carpeted, with a commodious front master suite being the pick of them all – comprising of separate “his and hers” walk-in wardrobes and an intimate ensuite bathroom with a shower, toilet and vanity for good measure.

Nestled right between shopping at both Banksia Grove Village and Carramar Village and also close to The Duke Bar and Bistro, the Carramar Community
