63 Christmas Avenue, Orelia

## Leafy Parkside Location

This updated home is situated on a generous block on leafy Christmas Avenue. Featuring three bedrooms and a renovated kitchen and bathroom, this home boasts an expansive outdoor entertaining area and is set back from the street. The large block offers endless opportunities for expansion or renovation, and is only metres from Orelia Park.

New laminate timber flooring welcomes you as you step into the home. Open and bright, the living room acts as an inviting central zone for the whole family. Each of the sizable bedrooms include huge wardrobes and ceiling fans to keep you comfortable in the warmer months.

The refurbished kitchen provides ample storage, with under bench and overhead cabinetry. A white subway tile splashback brightens the room, along with engineered timber benchtops and white venetian blinds. The kitchen is complete with new gas cooktop, electric oven and canopy rangehood.

Upgraded with full-height tiling, the bathroom features a bathtub and integrated shower. Matte gold tapware compliments the poly-marble benchtops and single basin, and you will find storage space in the vanity cupboards and drawers.
