HOW TO BOOK AN INSPECTION FOR THIS PROPERTY

If you would like to book an inspection for this property, then simply scroll down past the description and click the 'Book an Inspection Time' button and select from one of the available times. Happy house-hunting!

It begins with the master bedroom as you enter this property - including huge walk in robe and well appointed ensuite. The remaining two bedrooms are spacious and have built in robes. They have shared access to the main bathroom with full size bath and walk-in shower. There is a separate toilet.

The kitchen family and dining areas are open plan. The kitchen appliances are all sleek stainless steel. A split system air conditioner with remote will keep you cool throughout summer and warm in winter. The living area leads out into the low maintenance compact back yard.

Outside the gardens are fully reticulated, which allows you plenty of time to enjoy the al fresco area and easily maintained garden. A double lock up garage with remote door and shoppers entry allows easy access to the house. There is even a small lock up storage room at the rear of the home.

Centrally located in a small complex of similar properties this home is just 8 kms to the coast with easy access to the freeway. There is great local shopping at the newly refurbished Wanneroo Shopping Centre or a quick drive to Joondalup shopping precinct. There is a bus stop just a minute or two walk from the front door.
