A Higher Standard

Either one of these 3brm 2bth villas with double garage (one in tandem) in south Nollamara in a security complex may be sold with the other likely to be kept in the family.

As you can imagine all the quality that you would expect a builder to put into a home he would like to keep is obvious from the moment you walk in the door. Given that he hasnt chosen which to keep yet the same quality has been put into each unit.

To have stone bench tops and a standard that others aspire to but never quite reach, this is a home that will be the envy of all your friends.

Open plan living opening onto alfresco areas under the main roof shows this developer has thought through all aspects of this impressive property.

Intercom access to this gated community ensures that only guests that are welcome get in to this exclusive residential development. Plenty of off street secure parking adds to the appeal.
