Apartment style living without the concrete...

Why own a tiny apartment with very large strata fees when you can own a classy two bedroom villa in a small development that feels more like a house. Finished to a standard that others aspire to but never quite reach with an uncommon depth of thought to the overall design you will see why everyone is raving about this Mac Homes development.

Finished with the attention to detail that you would expect from one of Perth's leading developers with a local flair for getting it right its this winning combination that has seen others clambering to get in with 15 already sold.

See below what they liked the most,

Low strata fees (Only \$152.50 per quarter)

Lock up garages with secure internal access

Alfresco under main roof

Apartment style with your own piece of land

Fully appointed - you can move straight in without spending a cent, see

This home beckons those that are into privacy, security and the finer things yet are wanting to free up their budget to enjoy all life has to offer.

Located only minutes from one of Perth's fastest growing city centers yet tucked away in a peaceful neighborhood where you can see that well cared for gardens have a greater priority than how much concrete can be poured.

Given the rising market get in before the last one sells to enjoy the benefits of significant capital gains that we are likely to see in the short term. Call me now to inspect.
