21 Spring Hill, Tapping

Raise The Kids Close to Nature

Let the kids grow up close to nature with this spacious family home between peaceful Lake Joondalup and Jimbub Swamp Park.

Growing families can settle into this northern suburban location without worrying about the need to relocate anytime soon. 21 Spring Hill occupies a 508sqm block and is equipped with four bedrooms, two bathrooms, and a backyard big enough for kids and pets to enjoy, but small enough to mow within minutes. It's located directly across from Spring Hill Primary School, ideal for kids can get themselves there and back with ease.

Family time is made easy here. The floorplan features an open plan common area with laminate flooring and a dishwasher for easy cleaning. A split system airconditioning, ceiling fans, curtains and blinds help maintain temperature control through the home, whatever the weather. There is also a theatre room separate to the main living area – for when family members get along better by spending time apart. The master bedroom has the benefits of a walk-in wardrobe and private ensuite bathroom, and the shared main bathroom includes a shower and a bath to satisfy everyone's preferences.

The double garage is ideal for families who need to store boxes, tools or more than one vehicle. Wanneroo Road and Joondalup Drive are each less than two minutes' drive from the door, and Joondalup Hospital, Lakeside Joondalup Shopping Centre, Edith Cowan University, and plenty more are only a little further away. For family fun on the weekend, there's Wanneroo Aquamotion, Carramar BMX Track, Wanneroo Botanic Gardens and Mini-Golf and a wide selection of parks and nature reserves nearby.
