Inside, marble-look floors, wooden skirting boards, white painted walls, natural light make the living space ooze retreat feels.

Prepare a meal while being at the heart of the home – the kitchen – standing behind its generous benchtop space doubling up as a breakfast bar. Behind it, the kitchen's grey-tiled splashback, dark grey tops, and white and glass cabinetry give it a Hamptons feel. Stainless steel appliances include an oven, gas cooktop and dishwasher.

The four-bedroom home features a master bedroom with an ensuite and walk-in wardrobe. The other three bedrooms feature a mix of built-in wardrobes, carpets and floorboards, letting occupants add their own personalities to their room. Or, convert one room into a study, great for those who work from home.

Both bathrooms are similar in size, neatly presented with white-tiled bathrooms and vanities. One bathroom features a bathtub, perfect for unwinding. The laundry provides bonus storage solutions, as does a hallway linen closet.
