Why build? Make this beautifully finished home yours!

This gorgeous three-bedroom, two-bathroom home offers the ultimate low maintenance lifestyle, without compromising on size! With a large study/fourth bedroom and a theatre room, this family-sized abode has something for everyone.

The modern, rendered brick and tile elevation is brought to life by easy-care, reticulated lawn and gardens, and includes a double driveway and extra-wide garage with a remote sectional door.

At the front of the home, find the spacious main suite, comprising a huge bedroom with a ceiling fan, twin walk-in robes and a sizeable ensuite with a double shower and separate WC. The generous minor bedrooms are located separately along the western side of the property and share the family bathroom. There's enormous storage space in the laundry, perfect for your linen and much more.

The u-shaped kitchen offers plenty of cabinets and bench space, glass splashback, and stainless steel appliances, including a dishwasher, electric oven, gas cooktop and canopy rangehood. There's also a double sink with a filtered water tap, a large fridge recess and a built-in double pantry.
