## Carefree Living Between Ocean and Estuary!

Peaceful, private, and truly low maintenance, this freshly painted family home or downsizers' dream enjoys an enviable location surrounded by stunning coastline and the expansive waters of the Peel-Harvey Estuary.

Come home to three bedrooms, two bathrooms, a private alfresco, double lock-up garage and two separate living areas. With new blinds and carpet throughout, and freshly mulched front and rear garden beds, it's move-in ready!

Ensuring everyone has a space in which to relax and wind down, find a formal living room at the front and - along a bright and breezy tiled hallway - the more casual open plan living, kitchen and dining overlooking the sunny rear alfresco. The main bedroom features spacious built-in robes, and an ensuite with shower, vanity and WC, while bedrooms two and three also boast built-in robes and share a child and/or guest-friendly bathroom with a separate shower and bath.

Every-day life is that little easier in the well-equipped and functional kitchen, offering a large island and breakfast bar with double sinks, dishwasher, gas stove top, electric oven, rangehood, ample top and bottom cabinetry and good-sized pantry. Additionally, the separate laundry features a large linen press, storage and its own side outdoor access to the drying court.
