Space and Style for the Growing Family

Quality finishes and various living spaces in a family-friendly coastal community ensure this contemporary property ticks a lot of boxes for second home buyers or upsizers.

With four bedrooms, two bathrooms, a front office that acts as a 5th bedroom, a second study, theatre room, high-end timber flooring and two separate outdoor seating areas - there's a lot to offer the growing family.

Enter via an immaculate stone and native garden facade set high on the block, with a smart timber walkway leading to a double front door. The wide and bright hallway leads to a formal living room or theatre room with an adjoining bar, ideal for entertaining or movie nights.

Down the hall is the main bedroom, a generous space with lovely solid jarrah floorboards, ceiling fan, built-in robes, and a large ensuite with a frameless shower and WC. Bedrooms two and three are doubles with mirrored built-in robes and ceiling fans, while bedroom four also features built-ins and a ceiling fan. There's a shower and bath in the second family-sized bathroom and large laundry with ample shelf and bench space and direct side access.

The main living room is a great size for kids and parents alike to get together, watch TV or simply enjoy the sunny outlook through the sliding glass door to the rear alfresco. The kitchen at the heart of the home enjoys contemporary appliances, microwave recess, double fridge space and a double pantry. Adjacent is the dining area, again with an outlook outside to the alfresco.

No matter what the weather, this home will be a popular place for BBQs, with a huge covered alfresco, stylish timber deck and retractable sun and fly
