NEW YORK STYLE

Secure yourself a fantastic 1 bedroom, 1 bathroom apartment in the beautifully converted heritage Heirloom building, in the heart of the vibrant port city we all know and love.

With stunning, huge original jarrah timber beams as prominent features of this beautiful building, here's a chance to own your own little piece of Fremantle history. The high ceilings and exposed rafters throughout this attractive apartment create a spacious, texture-rich home.

The striking splashback tiles in the modern, open-plan chef's kitchen, add to the vibrancy and appeal. The well-appointed kitchen is complete with stone benchtops, lots of storage and stainless appliances. The stone tops continue through to the gorgeous, designer bathroom. The spacious bedroom has large built-in robes and windows looking out to the private balcony.

The air-conditioned open plan living space features steel and jarrah structural beams. The lounge opens out to the balcony which looks out into the beautiful common property and is sheltered from the weather, lending itself to being utilised as a second living or dining area. A fully reticulated green wall offers gardening opportunities for those with a green thumb and a worm farm provides composting and fertilisation.

There is a European style laundry and a huge loft storage space. The apartment also boasts a secure parking bay plus adjacent, lockable storage area with custom built shelving, making it easy to park and unload directly
