LARGE FAMILY ABODE!

Families, you will love this spacious 4-bedroom, 2-bathroom home located less than a five-minute drive to the beach.

Occupying a spacious block and set back from the street, this family home offers an immediate sense of space and serenity from the moment you arrive at the welcoming front veranda.

Master bedroom at the front of the home situated opposite the formal lounge/theatre room. The remaining three bedrooms are in their own wing and the spacious open plan living and dining area is the perfect spot for family and friends to come together.

Alfresco dining beneath the pitched patio will become second nature, especially within the easy-care garden with a lawn framed by pencil pines, which are so established they can even be admired from the front yard.

Many families move to the area for the excellent schools and proximity to the coast, where you have endless kilometers of beaches to explore, and glorious sunsets to enjoy. You also have easy access to shops, cafes, parks, public transport and main arterial roads, including the Mitchell Freeway and Butler Train Station a few minutes away.
