This deluxe custom-built home is a one-off design that will impress from the moment you arrive. Perfectly suited to first-time buyers, families and even downsizers, it promises a lifestyle of convenience and comfort in a family-friendly suburb. Located on a quite and safe street with minimal traffic and no main road noise.

Showcasing a versatile layout, the three-bedroom, two-bathroom home can easily offer a fourth bedroom if required. The multi-purpose room beside the entrance can be adapted to suit your needs, be it extra accommodation, a home gym, an office or a media room. Adjacent, the large main bedroom suite boasts a generous walk-in robe and an ensuite featuring a double semi-frameless shower and a twin stone-topped vanity.

Conveniently separated from the main bedroom, bedrooms two and three to the rear of the home include built-in robes and share the crisp white, modern family bathroom, with a tub for kids or when you need a long relaxing soak. You'll find plenty of storage in the laundry, with overhead and under bench cabinetry, a recess for your appliances and external access. There's
