PRIME LOCATION- WALK TO THE BEACH!

Living this close to iconic Scarborough beach is going to be a life-changer, guaranteed. Morning jogs on the coast and breathtaking twilights across the ocean from Scarborough Beach's Sunset Hill are all just 20 minutes from your front door when you move into this stunning double-storey coastal-style home.

Scarborough foreshore at your feet, beachside cafes and shops border a resplendent beachfront with one of the best outdoor pools and skate parks in Perth. Plus, there's a climbing wall for the kiddies, loads of grassed picnic areas and an amphitheatre where sensual Latin dancers strut their stuff with sunset Salsa every summer. No doubt about it; Scarborough is the place to be.

And this townhouse has a unique design that capitalises on its 'beachy' location with the spacious master bedroom, ensuite and walk-in robe on the top floor, together with the kitchen and main living areas. The finishes create a cool, casual and coastal vibe with extra attention to high quality finishes.

Wood-look floors feature in the main living areas throughout, complimented beautifully in the bathrooms by wood-look tile benchtops and big, square floor ceramics that tie in the coastal vibe seamlessly and create a sense of spaciousness. In the ensuite, there's a sink for him and one for her of course, and a huge mirror so you'll never fight over grooming space.
