Modern & Versatile Home Minutes from The Coast

A light and bright contemporary home in a prime location, this abode is the perfect residence for first-home buyers, young couples, downsizers or investors looking for future growth in a burgeoning area. Featuring three bedrooms, two bathrooms, and two large living spaces, there is plenty of room for all here in a location that has everything at hand, including the wide green space of Benson Park and playground, literally a three-minute walk from your front door.

An elevated and welcoming home on a corner block, the front of this home features a lovely, paved area and a small garden with gated access. The spacious open-plan kitchen, living and dining areas makes for a fabulous central family hub with the modern kitchen featuring a separate island with benchtops, five gas burner and rangehood, stainless steel appliances, a double sink and a pantry. This is a generous-sized space that enables a seamless flow to the undercover alfresco area and outdoor space beyond, an ideal spot for some outdoor garden furniture, BBQ and swings for the kids.

Further down the hall from the front entrance lies a separate living room, providing an extra space to relax, and three bedrooms with a bathroom, the main boasting its own clean and bright ensuite. A separate laundry also features plenty of storage space and sliding doors with rear access. With high walls and fencing surrounding the sides and rear of the property, your privacy and security are also assured.
