3 Withers Grove, Woodvale

LUXURY LAKESIDE LIVING

Situated in Woodvale Waters Estate, this stunning four-bedroom, two-bathroom home custom-designed by Marcolina and built by Atrium Homes in 2002 has just hit the market! Masters of luxury abodes, no expense has been spared with this double-storey home ranging from 34-course ceiling heights, tall skirting boards, plantation window shutters and solid Brush Box timber flooring.

Occupying an elevated 807sqm block, with 317sqm of internal living space what really sets this home apart is its connection to nature. Compliments of the clever design, the home offers multiple entertaining and living areas providing everyone with room to move and come together in the spacious kitchen and family room. The games and theatre rooms are a hit with kids - including the big ones. Outdoor entertaining is a delight with the huge undercover area perfect for parties and gatherings, while the front veranda and private garden framed with tropical plants are lovely spots to reflect and relax.

Awake to ducklings waddling across your front lawn as laughing kookaburras are accompanied by frogs, cockatoos and lately, pelicans! The massive tree at the end of Withers Grove plays host to the local wildlife community as does the Yellagonga Regional Park just metres away with its cycling and walking trails, taking you to Neil Hawkins Park in Joondalup a couple of kilometres away.
