Andrew Winters may have had an influence

As the curtains roll back for opening night this cozy starter 4brm 2bth home has had a complete makeover and is ready to hit the screens.

A completely new granite kitchen commands attention as the centerpiece of an open plan family and meals. The party can comfortably spill outside to an extensive undercover alfresco which doubles as a spot where your new little ones can play sheltered from all weather.

There's so much of this reno to enjoy including a complete fit out of the latest roller blinds and under foot the new carpet will also be a pleasant surprise.

So whats left? Oh yeah! The whole place has had a new paint job along with some other pleasant surprises that you'll see when you arrange to look inside this weekend.

Call me now to avoid disappointment.
