19A Halcyon Place, Ocean Reef

Breezy Coastal Living!

Nestled within one of Ocean Reef's most desirable cul-de-sac settings, this charmingly-renovated 3 bedroom 2 bathroom two-storey street-front home offers the perfect blend of comfort and convenience when it comes to contemporary low-maintenance living.

At the front of the residence, a carpeted living room – with a ceiling fan – keeps conversation separate from meals, with the open-plan dining and kitchen area playing host to split-system air-conditioning, an exotic wall mural and outdoor access to a private backyard space with lawn, plenty of room for fun and games and a delightful covered alfresco for entertaining.

Back inside, the revamped kitchen itself stylishly plays host to sleek stone bench tops, quality tapware, a double-width sink, tiled splashbacks, an integrated microwave, a range hood, a stainless-steel five-burner gas-cooktop/oven combination and a dishwasher for good measure. Also downstairs are two carpeted spare bedrooms (with ceiling fans and built-in double robes), a light-filled laundry with a separate toilet and external access for drying and a sublime fully-tiled main bathroom – walk-in rain/hose shower, stone vanity, feature backlit circular mirror and all.

Upstairs, a huge carpeted retreat – or second living room – is kept comfortable all year round with its fantastic split-system air-conditioning unit, also seamlessly spilling outside to a generous semi-covered balcony deck with breathtaking ocean views, as well as magical sunsets come the evening.
