Springboard into investment success in this...

This family friendly 4brm 2bth attracted the current A class tenants and should continue to be a major draw-card in your portfolio in the coming years. The 4th bedroom is nestled next to the master so it can double as a perfect nursery or study as the current tenant has preferred.

There's no wasted space tied up in formal living that will never inhabit anything but dust instead the open plan family, kitchen, meals and games rooms mesh together and blend with the undercover alfresco promoting a very family friendly environment.

Currently on a periodic lease at \$600 per week with the tenants willing to sign on for any term you choose so you can springboard into a very successful property investment career right from the start.
