WHERE SPACE, COMFORT AND DESIGN UNITE!

A stylish family home of functional design and modern features, welcome to 193 Cranleigh St. Dayton, the perfect four-bedroom home, two-bathroom home, plus study, that combines the ultimate blend of comfort and generous living spaces.

Step inside a home of fresh-faced interiors, with a sophisticated look of informal luxury that is just four years old. Beyond the light, bright and tiled entry foyer lies the home theatre, offering additional living quarters from the rest of the home - providing an ideal family gathering space for movie nights or even a teenage retreat.

Further along the hallway lies the main bedroom, a sumptuous space with his and hers walk-in robes and a sleek ensuite with double basins. A study across the hall accommodates the home worker with a private space or a quiet study room for the kids while the open-plan living, kitchen and dining zone lies at the heart of the home, where a functional design allows the whole family to come together into a welcoming space with plenty of room for all.

The modern kitchen is a huge room that easily caters to the busy family featuring a separate island bench, ample cupboards, stone benchtops, chef's oven and pantry. Adjoining is the dining area and a generous living zone, a beautiful airy space bathed in natural light that opens to the exterior, where a private paved alfresco area offers a quiet sanctuary, ideal for family meals, BBQ's or simply a place to relax.
