Auction Location: Online Auction

Why wait to build when this newly-completed 3 bedroom 2 bathroom single-level street-front villa is ready to welcome you home?

Thoughtfully designed with modern low-maintenance lock-up-and-leave living in mind, this sparkling new build – one of only four residences in the fresh complex – offers the perfect fusion of style, space and sophistication. With 107sqm (approx.) of internal living space available and a decent 150sqm of approximate living area in total, this easy-care pad offers a stylish and functional layout, perfect for first-home buyers, down-sizers and astute investors alike.

Inside, you'll find a neutral colour palette that creates a fresh and inviting atmosphere, complemented by ducted air-conditioning to keep you comfortable all year round. The floor plan's main hub is a generous open-plan living, dining and kitchen area with a storage pantry and connecting laundry.

The well-appointed kitchen itself is fitted with quality appliances, ensuring effortless meal preparation, while the living zone provides the perfect space for either entertaining or relaxing. Also off here lies a delightful, paved and secure courtyard at the rear, encouraging private outdoor entertaining for all involved.
