

Sold

### 3 sold, developer reluctantly agrees to sell...

Unit 2, 9 & 10 sold in the first 2 weeks. The remaining apartments are likely to be kept by the developer due to the likely growth expected in this national 10 hotspot.

Finished to a standard that others aspire to but never quite reach, with an uncommon depth of thought to the overall design you will see why others have always scrambled to own an apartment from this developer.

Stone tops are some of the elements that will impress in the living areas. Both bedrooms are seriously up-sized to easily accommodate queen sized furniture. The balconies if you prefer an upstairs apartment will blow you away with how much space they offer, a truly additional living area.

This home beckons those that are into privacy, security and all the finer things yet are wanting to free up their budget to enjoy life.

Call me today to arrange an appointment to view over the Christmas period.
