49C Hancock St, Nollamara

It's a little bit fancy

Under Contract to the highest bidder

This rear 3brm 2bth villa with double garage in South Nollamara feels just like home the moment you step inside.

At the end of the corridor this immaculately cared for home opens out into a kitchen, dining and living area which is bathed in natural light from the north facing windows, keeping you warm in winter and cool in summer - definitely a well thought out design. Outdoors the Alfresco area encloses with café blinds to let you enjoy outdoor entertaining for a lot longer each year.

Master bedroom is completely separated from the other two rooms giving each of you a feeling of privacy that is not often achievable in a villa.

Tucked at the end of a small group of three there is no-one driving past your unit each day and you can park a third car, caravan or boat at the end without bothering your neighbours.

A quick walk has you at Dianella Secondary College and Dianella Primary College where enrolments are rapidly growing.
