

Build a dream home on 738sqm, yes that's...

This rectangular 738sqm upsized block, with 18 metre frontage. Walking distance from Lake Gwelup.

You can finally build a seriously upsized home without having to go two story although a second story may capture some lake glimpses.

Either gets you enough space for pools, backyard cricket and even a veggie patch.

You will have the best schools, shopping experiences and speedy access to the freeway which may suit the family that has lots of sports/family commitments to get to every day.

What's the catch, probably only that traffic passes your front door more frequently than something in a cul-de-sac. From experience you'll block out the noise over time or get yourself double glazing, problem solved.

Once you've had this convenience to everywhere in minutes you'll never look
