This property will be open by private appointment, please call today to arrange a viewing

Get ready to fall in love with this cleverly-renovated 3 bedroom 2 bathroom South Scarborough townhouse that finds itself securely and centrally positioned in a charming complex of just eight properties opposite the crystal-clear waters of our beautiful Indian Ocean.

Stunning ocean views down the coast can be absorbed from within a light and bright upstairs master bedroom, as well as out on its massive tiled wraparound balcony that is semi-protected from the elements. Also on the upper floor lie a double-sized second bedroom and a revamped main bathroom with a Roman shower, stone vanity and toilet.

Like the rest of the residence, a modern open-plan living, dining and kitchen area is graced by quality low-maintenance flooring and doubles as the stylish central hub of the home downstairs.

Sensual sea breezes pervade a private west-facing entertaining courtyard off the living space, whilst a sunken entry courtyard essentially triples the amount of outdoor options on offer with its splendid morning sunshine and pleasant shade in the afternoon.

Completing an impressive list of lower-level features is an updated second bathroom-come-laundry off the entrance and a nearby third bedroom, whilst an allocated single car bay is covered and an automatic complex access gate
