Glendalough

Lakeside village townhouse

This 3 brm townhouse feels far bigger once inside than you'd expect from the front. Open plan lounge and dining all connect to the landscaped courtyard worthy of competition entry.

Add to that the lakelands behind the village and you wouldn't think you are this close to the city.

With a fresh new paint job inside, renovated bathroom, renovated floors and kitchen that was renovated a few years ago you can move in straight away and enjoy home ownership without having to tackle anything else.

Very close the city and transport but deep within the group at the lake end which is whisper quiet all the time.

Call me now to arrange a look inside.
