Secure low-maintenance living awaits you in the form of this gorgeous 3 bedroom 1 bathroom street-front home that combines original character with modern additions following an impressive renovation in an ultra-convenient “close to everything” location.

There is safe driveway parking space for up to two extra cars in between a large double carport and electric access gate, all overlooked by a delightful courtyard terrace that, via double doors, flows into the commodious front lounge room off the entry. A stylish kitchen and dining area keeps the conversation separate from the meals and boasts a gas cooktop, Euro oven, double sinks, a range hood and glass splashbacks for good measure.

There are two bedrooms at the front of the house, including a generous master with full-height built-in wardrobes and a ceiling fan. The third bedroom or “sleep out” at the rear has a lined ceiling and is more than comfortable, sitting just off a versatile sunroom – or utility area.

A quality revamp to the bathroom has provided it with floor-to-ceiling tiling, alongside a deep bathtub with a showerhead, a toilet, sparkling stone vanity and heat lamps. There is extra room to entertain within the privacy of a paved north-facing side courtyard where easy-care artificial turf meets a bubbling outdoor spa in the corner – the perfect place to just sit back and forget about everything.
